FEATURED SPEAKERS

Allie Pleiter is an award-winning best-selling author of over thirty books, both fiction and nonfiction. The "dare from a friend" to begin writing has produced a seventeen year career with over 1.4 million books sold. In addition to being a writing coach, Allie speaks regularly on faith, the creative process, and women's issues.

Chris Jager of Baker Books has over nineteen years of experience in the fiction world, backed by years of reading. She enjoys sharing her love of fiction with ECLA conference attendees so much that each year she schedules her vacations around it. Chris will be presenting the hottest new fiction.

Bookstore

Moody Book Store will sell books at a 20% discount for conference attendees. All credit cards accepted. Bring a copy of your state tax-exempt letter to avoid paying tax on your purchases.

Free Books/Publishers' Giveaway

All attendees will be able to select books given generously from the publishers.
